Message from the Headteacher

Welcome to the first edition of the summer term of Major News. I trust you all had a restful Easter break. It has been a pleasure to welcome our learners back to school and our first week back in school has been focused and productive.

Thank you again to all parents/carers for your support in enforcing our mobile phone approach. Your messages supporting the new measures are very much appreciated and they have most certainly contributed positively to our school ethos. Please be advised that since student use of mobile phones is not permitted internet access has been switched off for students.

We have been delighted to welcome two senior members of staff back from secondment to a neighbouring school this week. Mrs Pownall, Deputy Headteacher, will be leading on Self-Evaluation and School Improvement and Mr Francis, Assistant Headteacher, will be taking the strategic lead on Key Stage 4. It's fantastic to have Mrs Pownall and Mr Francis back with us here in Llantwit Major.

As ever, many thanks for your continued support and I wish you an enjoyable weekend.

Mrs C L Robins

Refine your writing: A How to Guide

Encouraging proofreading and editing at home, especially focusing on spelling, punctuation, and grammar (SPAG) as well as addressing basic errors, is immensely important for students in Key Stage 3 and GCSE. Parents play a crucial role in fostering these skills. By promoting a habit of reviewing and refining written work, parents help their children refine their language proficiency and attention to detail. In the academic landscape, meticulous proofreading ensures that students' ideas are communicated clearly and effectively, enhancing the quality of their assignments and exam papers. Additionally, instilling these habits early on not only boosts their confidence in written communication but also prepares them for the rigorous demands of higher education and professional settings. Parents' guidance in honing these skills at home equips their children with invaluable tools, enabling them to excel academically and beyond. The link below will guide you on how you can help your child at home when it comes to proof reading.

Exciting Visit from Hyett Education Inspires Future Innovators

We were thrilled to welcome representatives from Hyett Education to Llantwit Major School just before Easter for an exhilarating educational experience like no other. The visit brought an electrifying buzz to our classrooms as students had the unique opportunity to delve into the fascinating world of aerospace technology and programming.

Hands-On Learning with Small Drones

One of the highlights of the visit was the hands-on workshop where students from years 10, 12 and 13 got to work directly with small drones. Under the guidance of experts from AeroTech Innovations, our pupils learned the fundamentals of programming these aerial marvels. From basic flight controls to more advanced manoeuvres, the workshop provided an immersive learning experience that captivated the minds of our young innovators.

Igniting Passion for STEM

The visit not only provided valuable insights into the field of aerospace engineering but also ignited a passion for science, technology, engineering, and mathematics (STEM) among our students. By engaging in real-world applications of programming and robotics, our pupils gained a deeper understanding of how these subjects play a crucial role in shaping the future of technology and innovation.

Empowering Future Innovators

At Llantwit Major School, we believe in empowering our students to dream big and reach for the stars. The visit served as a reminder that the sky is not the limit when it comes to what our pupils can achieve. By exposing them to cutting-edge technology and hands-on learning experiences, we are nurturing the next generation of innovators and problem-solvers.

Music and Performing Arts Department

Llantwit Major School is excited to announce that on **Monday 15th April at 6pm** tickets will go on sale for the school production of **Guys and Dolls**. The show will run from **Tuesday 9th – Friday 12th July 2024** at Llantwit Major School. The evening performances will start at 7:00pm and doors are open at 6:30pm.

Hailed as the perfect musical comedy, 'Guys and Dolls' gambles with luck and love under the bright lights of Broadway. Considered by many to be the perfect musical comedy, Guys and Dolls ran for 1,200 performances when it opened on Broadway in 1950. It received nearly unanimous positive reviews from critics and won a bevy of awards, including Tony Awards, Drama Desks and Oliviers.

Set in New York City, gambler, Nathan Detroit, tries to find the cash to set up the biggest craps game in town while the authorities breathe down his neck; meanwhile, his girlfriend and nightclub performer, Adelaide, laments that they've been engaged for fourteen years. Nathan turns to fellow gambler, Sky Masterson, for the dough, and Sky ends up chasing the straight-laced missionary, Sarah Brown, as a result.
