Dear Parent/Guardian

**Re: Revised New Term Arrangements**

Firstly I would like to wish you all a Happy New Year with the added hope that as the year progresses we will all return to some sort of normality.

Further to my letter of 21 December 2020, there have been a number of developments at a national level which have impacted on the return to school this term.

The revised arrangements will mean that:

- The initial period of remote learning will be extended until Friday 15 January. Although I would like to emphasise that we are still able to accommodate pupils of critical care workers as outlined in my previous letter of 21 December.

I recognise that these late changes are disruptive and unsettling to everyone and ask that you continue to ensure that your child completes all tasks assigned to them and engages positively with all their subjects on google classroom. If your child is unwell and unable to complete their learning, please email the school so that we can alert subject teachers and Progress Leaders who are monitoring progress.

Please contact the school via 01446 793301 or [llantwitmajorhs@valeofglamorgan.gov.uk](mailto:llantwitmajorhs@valeofglamorgan.gov.uk) if you have any queries or concerns.

On behalf of all staff at Llantwit Major School, please be assured that we will continue to communicate with you as soon as new information is shared with us and that we will work tirelessly to reduce the negative impact of the time missed at school.

As always I thank you for your continued support and encouragement.

Yours faithfully
