

## **RE: Barnardo's Vale of Glamorgan School and Community Based Counselling Service**

Due to the Corona Virus we have to adapt our Barnardo's School and Community Based Counselling service provision, so we are planning alternative delivery methods due to schools closing.

We will be providing wellbeing tips and advice for all pupils on an ongoing basis through the school's communication channels.

If you are currently accessing counselling, have been assessed and are waiting to meet with a counsellor or you are on the waiting list we require **consent** from you to communicate with you.

Please respond to us through the following means if you would like us to contact you:

- Telephone: 02920 577074
- Mobile: 07738689262
- Email: [valecounsellingservice@barnardos.org.uk](mailto:valecounsellingservice@barnardos.org.uk)

When you contact us, please let us know your name, telephone number (or preferred means of communication) and what school you attend. When we have this information we will be in touch.

In the meantime, please have a look at the 'signposting sheet' attached to this letter, which has a list of useful websites and organisations that you might find helpful.

If you feel your situation gets worse before you get to speak to one of our counsellors and you are finding it difficult to cope, please speak to a member of your family or a teacher who you trust. You can also contact your GP or local Accident and Emergency Department if necessary.
