

Pupil Information

Barnardo's Vale of Glamorgan School and Community Based Counselling Service

Due to the Corona Virus we have adapted our counselling service and we now offer counselling over the telephone or online.

Until we return to usual service delivery we will provide:
13 years and above - counselling available
Under 13 years we will provide you with supportive wellbeing advice

Even though **ALL** sessions will be confidential between you and the counsellor, we will need your parents to know you are receiving a service in case of an emergency whilst you are not at school.

If you would like to access counselling or wellbeing advice during this difficult time we require **consent** from you to communicate with you.

Please contact us:

- Telephone: 02920 577074
- Mobile: 07738689262
- Email: valecounselling@barnardos.org.uk

When you contact us, let us know your name, telephone number (or preferred means of communication) and what school year you are in and what school you attend, we will reply to you as soon as possible.

In the meantime, please have a look at the 'signposting sheet' attached to this letter, which has a list of useful websites and organisations that you might find helpful.

If you feel your situation gets worse before you get to speak to one of our counsellors and you are finding it difficult to cope, please speak to a member of your family or a teacher who you trust. You can also contact your GP or local Accident and Emergency Department if necessary.
