Deputy Head: Mrs L. Pownall

Assistant Head teachers:

Mr D. Davies

Mr K. Francis

Year 7 Progress Coordinator : Mrs H Marshallsay

Student Support Manager: Mrs S. Cox

Additional Learning Needs Coordinator: Mrs T Bennett

Your school day

Arrive at school by 8.25

Lesson 1: 8.30-9.30

Lesson 2: 9.30-10.30

Break: 10.30-10.50

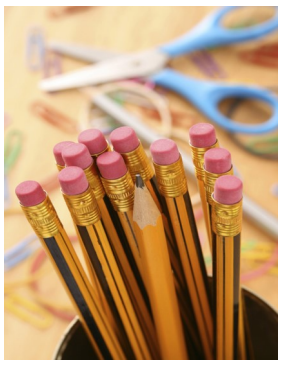
Form: 10.50-11.10

Lesson 3: 11.10-12.10

Lunch: 12.10-12.55

Lesson 4: 12.55-1.55

Lesson 5: 1.55-3.00



Returning to school with Covid-19

We don't know for definite what school will look like in September but there may be a few changes until things return to normal.

Some changes might be:

- Less people in your classroom
- Same rules as June/July: washing hands regularly, social distancing
- You may be in school for some days and working from home on other days
- You may have a different timetable with different times

Classrooms may look like this:

Important places for you to know:

If you have any problems you need help with you need to head to L block Blue floor! This is where you will find Mrs Marshallsay's office.

Also on this corridor, you will find the Wellbeing office, where Mrs Cox is based and Miss C Thomas. They are also there to help you if you can't find Mrs Marshallsay.

You will also find your noticeboard with lots of information to help you. This is updated weekly!

Year 7 Noticeboard

Your school bag

In your bag you should carry the equipment that you need for your lessons.

Along with your books and your planner, you will need to bring pens, pencils, a ruler and a rubber to school with you everyday. In addition you will need a calculator for Maths.

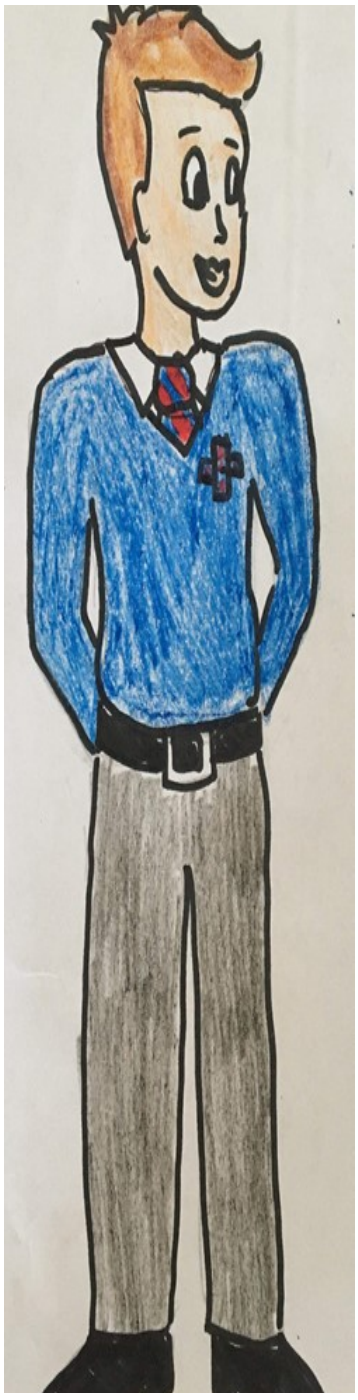
On certain days you will need a P.E kit; ensure that your bag is large enough to carry everything. Pack your bag the night before, then you will know that you have everything you need!

Mobile phones

If you chose to bring a Mobile phone to school please remember that it is your responsibility. However we insist that ALL mobiles are SWITCHED OFF and left in your bag during the day. Anybody found with their phones out in lessons, will have it confiscated.

Your School Uniform

White shirt with school tie



Blue Sweatshirt
with logo

Classic black trousers or
Knee length skirt

Plain black shoes

All jackets must be plain dark navy or black.
(Please see handbook for full details)

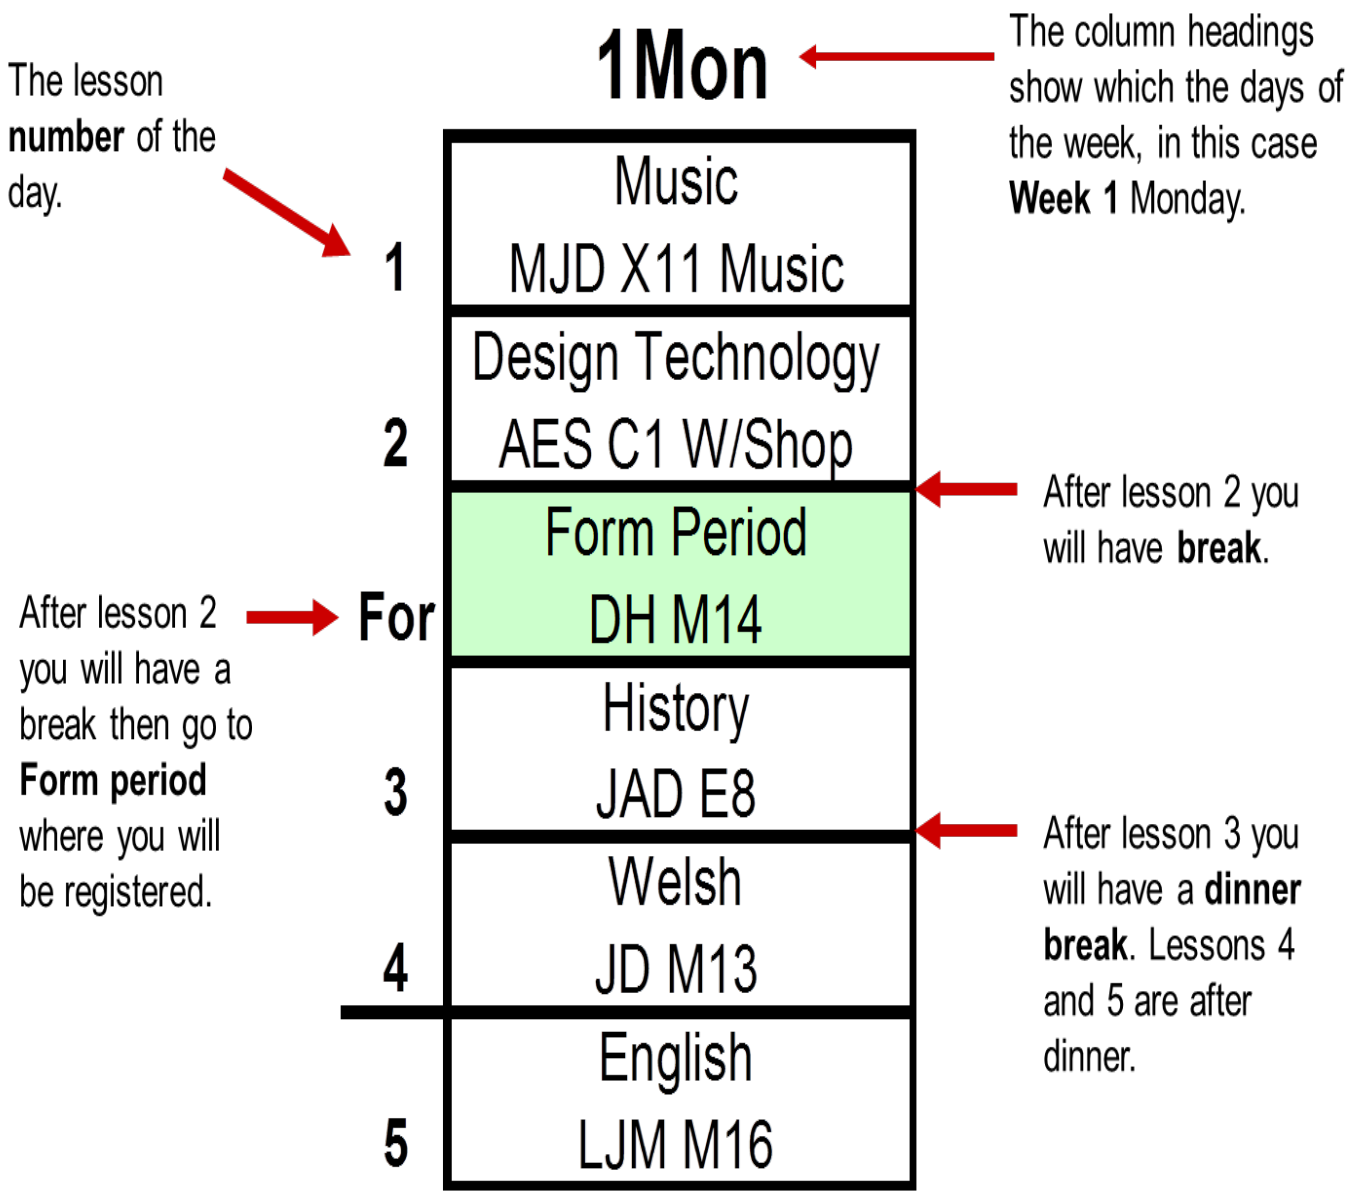
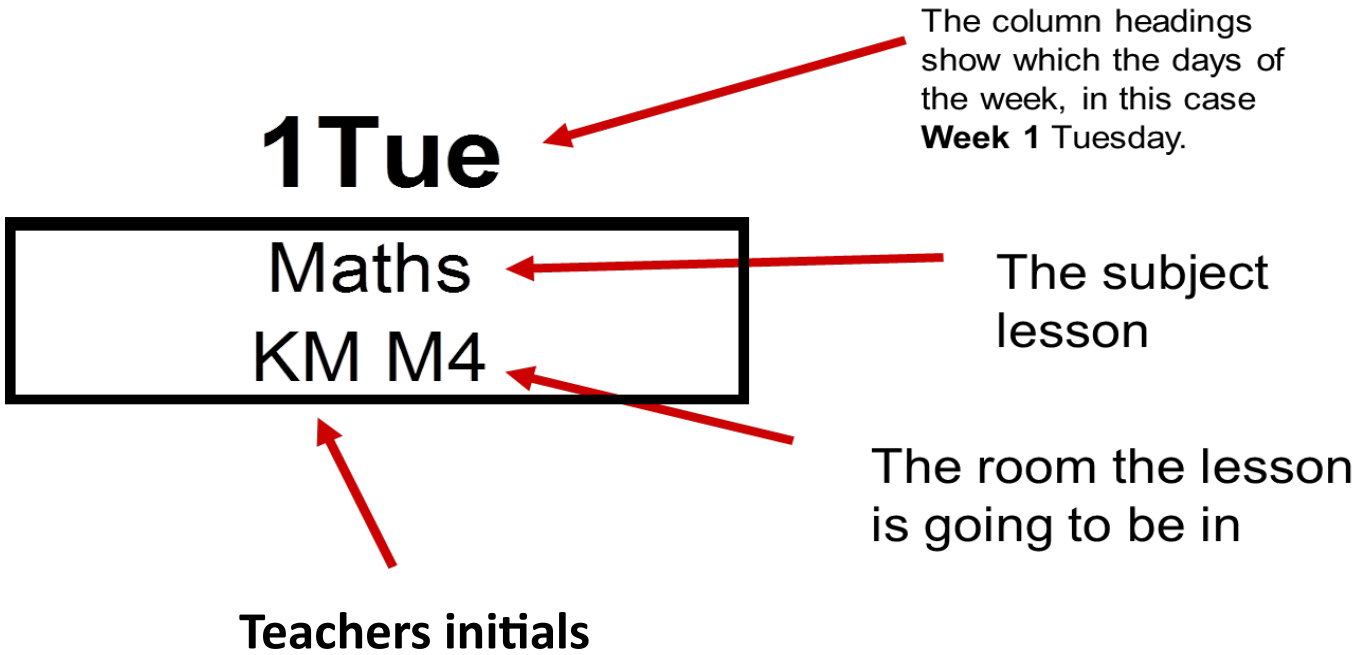
Your timetable covers two weeks. You will have Week 1 lessons and Week 2 lessons.

When you are at school you follow your timetable to see what lessons you have each day.

At the end of each lesson you should be able to follow your timetable to see which lesson you need to go to next.

Understanding your timetable



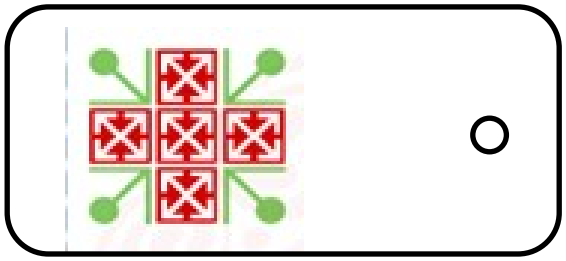


Break and Lunch time

At Llantwit Major school, food is available to buy from the Canteen at Break and Lunch times. There is a choice of hot or cold foods from sandwiches and salads to pasta bolognaise and occasionally chips!!

In year 7 you share a lunch and break time with the year 8's, so don't be worried about the whole school being out in the yard when you are!!

The Fob



It will sort of look like this!!

Food in the canteen is paid for by using a Fob. This Fob will be issued to you on your first day of school at which point you will have the opportunity to 'Load' it. This is done by your parent/guardian paying money on to it or by bringing money from home and loading it into the special machine and placing your fob on the 'reader'. Your money will then register as having been transferred onto your fob. Your Fob is then loaded and ready to pay for your lunch.

What happens if??

What happens if I forget my homework?

Your homework is very important and it would be an idea to make sure it is in your bag when you pack it the night before, however if you do forget it, explain to your teacher as soon as you see them.

What happens if I get a detention?

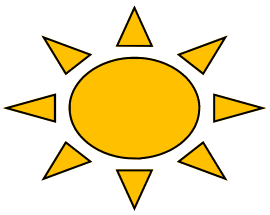
Detentions are only given if rules are broken. As long as you bring the correct equipment, wear the correct uniform, and follow the school rules, there should be no reason for you to get a detention.

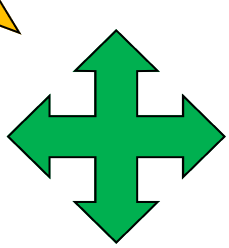
What happens if I'm not with my friends?

An important thing to remember about comprehensive school is that it is full of potential new friends. You will be able to make many new friends in lessons and meet up with your old ones at break and lunch times.

Positive points are given to children for remembering homework, for good effort and participation as well as other things!!

Question Time!!





Can you remember what you have found out about these things? If not see if you can find the answers in this booklet.

What time do you need to be at school?

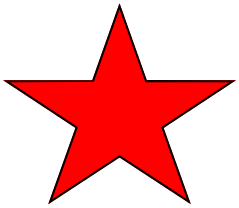
What is the name of the Head Teacher?

What time is break time and lunch time?

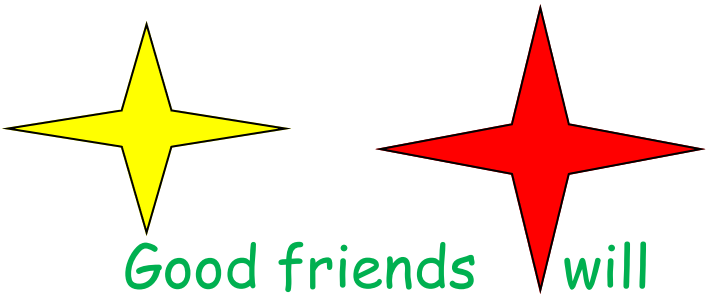
What colour do your school shoes need to be?

Are mobile phones allowed in school?

What does 1Mon mean on your timetable?



Advice on Friends



If you don't have many friends or you want to make more, try joining a club to help you make new ones.

Good friends will stick by you. If friends fall out with you easily or leave you alone, it is probably better to start looking for new ones.

To be a good friend you need to learn to say 'Sorry' and 'can we sort it out?' when you have argued. You may not always get your own way and for the sake of friendship you may need to give in sometimes, even if you don't agree!

It is easy to fall out. Try to keep calm and not react to the little things, it's not worth it!

Friendship is about give and take. Make sure you're not doing all the giving or taking!!
